HOLE 12 · PAR 5

Green

NOTES

LINCE
GOLF

A guide like this, for your course.

Three holes from a Lince Golf guide, each with its map and its green. Every hole on your course gets both pages.

- Distances from every tee to the front, middle and back of the green
- Carries over bunkers and water, lay-ups, blind zones
- How much longer or shorter each hole plays uphill or downhill
- The slope of every green, with arrows and 10 cm contours
- Within the limits of Rule 4.3, for use in competition
- A club edition with your name and logo on the cover

Tell us your club and we will send the same two pages for one of your holes.
